

ANNOUNCEMENTS

We are happy to announce the formation of the Evangelical Philosophical Society in Philadelphia on December 28, 1976. Twenty original members elected the following officers:

President: Norman L. Geisler
 Vice-President: Gordon Lewis
 Secretary-Treasurer: Jay Grimstead

The purpose of the Society is to "encourage and advance scholarly production in any of the areas of philosophy of religion, philosophical theology, apologetics, ethics, and other related areas."

The Society has adopted for itself the same very simple and broad statement of faith as the Evangelical Theological Society: "The Bible alone, and the Bible in its entirety, is the Word of God written, and is therefore inerrant in the autographs." We have chosen to meet at the same time as the ETS for mutual dialogue and enrichment. The next annual meeting will be December 26-28, 1977, in San Francisco. Gordon Lewis, Conservative Baptist Theological Seminary, Denver, Colorado, is the program chairman. Anyone desiring to read a paper should send an abstract to him by September, 1977.

Membership in the Evangelical Philosophical Society (EPS) is open to teachers and other professional people involved in the above stated areas and who have at least an accredited master's degree in one of the areas or the equivalent in scholarly production. Associate and student memberships are open to those not meeting the above qualifications. Some of our hopes include a scholarly journal, monographs and books and an employment clearing house for teachers.

Those desiring membership may write for an application form to Jay Grimstead, 2011 Fallen Leaf Lane, Los Altos, CA 94022.
