LETTER FROM THE PROGRAM CHAIR

Welcome to the 66th Annual Meeting of the Evangelical Theological Society

The theme for this year's conference "Ecclesiology," reminds us of the primary reason for what we do, whether we are in academic, parachurch or pastoral work—to serve the church. Whether we are equipping the next generation of pastors, are pastoring ourselves or are serving on the mission field or with a parachurch/non-profit organization, we are about serving Christ by serving the church. This focus is particularly important for those of us who are professors, lest we get caught up in our academic work and forget that our work ultimately serves the church.

Admittedly, our topic for this year is very broad. Our three plenary speakers are ideally suited to speak to us on these matters, and they scarcely need an introduction since they are all well-known and well-published scholars. Dr. Gregg Allison from the Southern Baptist Theological Seminary, Dr. Joe Hellerman from Talbot School of Theology, Biola University, and Dr. Miroslav Volf, from Yale Divinity School, will be addressing the plenary sessions. We will also have a panel discussion on our topic with the three plenary speakers.

Our program also includes hundreds of fascinating and learned papers on ecclesiology and other topics, and thus we anticipate being both stimulated and edified while we are in San Diego. Special thanks to the executive committee of ETS and the others who reviewed the myriad of paper proposals that were submitted. Thanks for your time and expertise in evaluating the proposals. Thanks also to the program unit committees who did their own evaluation of many paper proposals that were submitted to their respective program units. I regret that we could not accommodate all of the papers proposed.

Finally—special gratitude to Mike and Bonnie Thigpen and their excellent team who have done outstanding work in putting the program together. As our society has grown, stitching together the details of the annual meeting and keeping the society running has become increasingly complex. Mike and Bonnie keep the wheels turning both at our meeting and year-round, and thus they deserve our kudos for their exceptional work year after year. The administrative side of ETS is in very good hands. I look forward to seeing you in San Diego and trust that our meetings will be a rich and fruitful time for us all!

CONFERENCE OVERVIEW

PARALLEL SESSIONS

The parallel sessions are composed of five different session types.

A Affiliated Society sessions feature presentations that were selected and arranged by one of the three societies which join ETS each year: the Adventist Theological Society, the Evangelical Philosophical Society, and the Near Eastern Archaeological Society.

D Discipline specific sessions are composed of presentations that were submitted by ETS members and rated by a panel of scholars who served under the direction of the program chair. These presentations have been grouped into basic disciplines: Old Testament, New Testament, Systematic Theology, and Church History/Historical Theology.

P Program Unit sessions are a combination of invited papers and proposed presentations which were selected by the program unit steering committees. ETS has three types of program units. *Consultations* are new program units which are responsible for 1 session of invited papers at

the meeting. *Study Groups* are narrowly focused groups which require active, collaborative participation by the group members. ETS encourages study groups to publish the results of their work. Study groups are responsible for one session of invited papers at the annual meeting. *Sections* are broadly defined groups that represent general areas of interest. Responsible for one session of invited papers and one session of papers drawn from member submissions, the sections offer the most access for unsolicited papers

T Theme sessions are composed of presentations submitted by members, which address the topic of *Ecclesiology*. These presentations were evaluated by a panel of scholars under the direction of the program chair. The theme presentations have been arranged into cohesive sessions based on texts, topics, and methods.

C Career sessions are special sessions that are designed to help ETS members in their careers. These sessions include discussions of the academic job market, publishing, interviewing and other significant career development topics.

STUDENT SCHOLARSHIP SPONSORS

The ETS Annual Meeting Student Scholarship Program is designed to help academically promising students who find participation in the Society economically prohibitive, or who come from a traditionally underrepresented group to get to know the Society, its functions, its leaders, and the role it plays in supporting conservative evangelical scholarship. The goal of the program is to encourage and support students who might otherwise not participate in the Society to appreciate the value of membership and the profitable part that it might play in their academic and ministry futures.

"This is an enormous venture. Fortress Press, with the blessing of the International Bonhoeffer Society, is publishing a critical, studied, clarifying, and . . . standard-setting, if not normative version. [Dietrich Bonhoeffer] is in the select company of the giants of this century who still challenge new generations even as his writings startle us seniors with their freshness."

—Martin Marty, University of Chicago Divinity School

"Without doubt, Dietrich Bonhoeffer Works will be the definitive point of reference from here forward. It supersedes all previously published Bonhoeffer documents and adds new ones as well."

—Larry Rasmussen, Union Theological Seminary

BIBLICALLY ROOTED + THEOLOGICALLY FORMED

*“Our joy as faculty is to participate
in the transformation of students
– in the life of their minds and
beyond.”*

NICHOLAS PERRIN, FRANKLIN S. DYRNESS
CHAIR OF BIBLICAL STUDIES

The Biblical and Theological Studies Department at Wheaton College Graduate School gives students an appreciation for the depth of our evangelical Christian heritage, thanks to an accomplished faculty from a spectrum of denominations. Faculty provide a rich, interdisciplinary learning environment where biblical reflection and theological discussion go beyond the classroom. In the context of traditional biblical Christianity, faculty members are committed to helping students understand the theological underpinnings of their lives and calling within the context of Christ's Kingdom. We invite **YOU** to prayerfully consider exploring our community at Wheaton College Graduate School.

We had you at 'oikonomia,' didn't we.

Our seven-part film series, **FOR THE LIFE OF THE WORLD**, examines God's surprisingly wonderful "economy of all things" — from **LOVE** to **WONDER** to **EXILE**. And it's done in a way that's totally irresistible. Just like that word 'oikonomia.'

ALL are called to gospel ministry. believers

TRINITY
EVANGELICAL DIVINITY SCHOOL
TRINITY INTERNATIONAL UNIVERSITY

Our programs help students answer this call in a variety of vocations.

Our Dean, Tite Tiénou, likes to call our community “pan-evangelical.” That’s because our unity in the **gospel** and the **authority & inerrancy of Scripture** fosters a broadly evangelical ethos that welcomes student and faculty voices from various denominational and theological traditions. We believe that this uniquely positions us to prepare students who are able to contextualize the gospel wherever they find themselves.

Our community has modeled excellence in broadly evangelical scholarship for fifty years and counting, and we continue to expand the ways that students can benefit from the global ministry experience and scholarly ethos of our faculty.

We offer master’s and doctoral programs that help prepare students for vocations in the following categories:

ACADEMIC MINISTRY
COUNSELING MINISTRY
MINISTERIAL LEADERSHIP
INTERCULTURAL MINISTRY

BIBLICAL TOURS IN TURKEY, GREECE, EGYPT, JORDAN, ISRAEL, CYPRUS AND ITALY

WALK WHERE JESUS, PAUL AND THE APOSTLES

Levent Oral, President of Tutku Tours

Welcome. At Tutku Tours we are not satisfied with a good tour. Instead, we strive for excellence. We want you to return home with memorable experiences that will evoke a desire to return to the Holy Lands again and again. Tutku Tours has been operating for more than twenty years and our company is focused upon Biblical Tours. We conduct Biblical Tours for various groups: academic tours for colleges, universities and seminaries and more leisurely tours for churches and alumni groups. More than 200 schools have chosen Tutku Tours for their visits to the Holy Lands. Won't you join us?

Our guides not only pass the rigorous qualifications for tour guides set by the Turkish Ministry of Culture and Tourism, but they also participate in annual Biblical Seminars required by Tutku Tours. These seminars, conducted by scholars, archaeologists and professors enable our guides to contextualize the biblical world in relation to the places that you visit. This adds another dimension to the tour as students and parishioners are able to imagine what it was like to walk with Jesus, Paul, John and the early Christians. We want your tour to be more than a journey. We want it to be an experience that you'll treasure and never forget. Let me know how I can serve you.

With God's blessings,

Levent Oral
