Parallel sessions

The parallel sessions are composed of five different session types.

A AFFILIATED SOCIETY SESSIONS

feature presentations that were selected and arranged by one of the three societies which join ETS each year: the Adventist Theological Society, the Evangelical Philosophical Society, and the Near Eastern Archaeological Society.

D DISCIPLINE SPECIFIC SESSIONS

are composed of presentations that were submitted by ETS members and rated by a panel of scholars who served under the direction of the program chair. These presentations have been grouped into basic disciplines: Old Testament, New Testament, Systematic Theology, Church History/Historical Theology, and Practical Theology.

P PROGRAM UNIT SESSIONS

are a combination of invited papers and proposed presentations which were selected by the program unit steering committees. ETS has three types of program units. Consultations are new program units which are responsible for 1 session of invited papers at the meeting. Study Groups are narrowly focused groups which require active, collaborative participation by the group members. ETS encourages study groups to publish the results of their work. Study groups are responsible for one session of invited papers at the annual meeting. Sections are broadly defined groups that represent general areas of interest. Responsible for one session of invited papers and one session of papers drawn from member submissions, the sections offer the most access for unsolicited papers.

T THEME SESSIONS

are composed of presentations submitted by members, which address the conference theme. These presentations were evaluated by a panel of scholars under the direction of the program chair. The theme presentations have been arranged into cohesive sessions based on texts, topics, and methods.

C CAREER SESSIONS

are special sessions that are designed to help ETS members in their careers. These sessions include discussions of the academic job market, publishing, interviewing, and other significant career development topics.

LETTER FROM THE PROGRAM CHAIR

Welcome to the 68th Annual Meeting of the Evangelical Theological Society

The theme of this year's conference is The Trinity. John Owen, 16th century Puritan author and theologian, reminds us that

There was no more glorious mystery brought to light in and by Jesus Christ than that of the holy Trinity, or the subsistence of the three persons in the unity of the same divine nature . . . And this revelation is made unto us, not that our minds might be possessed with the notions of it, but that we may know aright how to place our trust in him, how to obey him and live unto him, how to obtain and exercise communion with him, until we come to the enjoyment of him.

It would be impossible for us to overemphasize the centrality of the Trinity for every Christian discipline and every Christian life. There is good reason why, in addition to our confession of biblical inerrancy, the Evangelical Theological Society affirms this concerning the nature of God:

"God is a Trinity, Father, Son, and Holy Spirit, each an uncreated person, one in essence, equal in power and glory."

This year's program promises to be challenging, edifying, and honoring to the Triune God of our faith. We have three plenary speakers who are uniquely qualified to address this crucial topic. Fred Sanders, of the Torrey Honors Institute at Biola University, will speak to us on the subject: *Evangelical Trinitarianism and the Unity of the Theological Disciplines*. Scott R. Swain, Reformed Theological Seminary, Orlando, Florida, will focus on *The Bible and the Trinity in Recent Thought: Review, Analysis, and Constructive Proposal*. Finally, Gerald R. McDermott, Beeson Divinity School, will address the very timely topic of *How the Trinity Should Govern our Approach to World Religions*.

There will also be several hundred substantive and instructive papers delivered on the main theme as well as scores of other topics. We anticipate a time of exceptional biblical and theological instruction together with robust dialogue and rich fellowship. And you won't want to miss the opportunity to explore and enjoy the River Walk in San Antonio!

We should all extend our profound gratitude to the ETS Executive Committee, the program unit committees, and the numerous volunteers who labor so diligently to make this such a successful annual meeting. Special thanks go to Dr. Michael Thigpen, the Executive Director of ETS, his wife Bonnie, and a tremendous team of dedicated servants who take countless logistical details and transform them into a unified and efficient conference.

I look forward to seeing all of you in San Antonio!

CONTEXT CHANGES EVERYTHING

We've heard these Bible stories hundreds of times, but how many behind-the-scenes details are we missing? Sometimes a little context is all you need to discover just how much is happening in Scripture.

The **NIV Cultural Backgrounds Study Bible**, with notes from Dr. Craig S. Keener and Dr. John H. Walton, gives you insight on every page of the Bible. See the cultural background behind each story—even the ones you know by heart.

BIBLICAL TOURS IN TURKEY, GREECE, EGYPT, JORDAN, ISRAEL, CYPRUS AND ITALY

WALK WITH JESUS, PAUL AND THE APOSTLES

Levent Oral, President of Tutku Tours

Welcome. At Tutku Tours we are not satisfied with a good tour. Instead, we strive for excellence. We want you to return home with memorable experiences that will evoke a desire to return to the Holy Lands again and again. Tutku Tours has been operating for more than twenty years and our company is focused upon Biblical Tours. We conduct Biblical Tours for various groups: academic tours for colleges, universities and seminaries and more leisurely tours for churches and alumni groups. More than 200 schools have chosen Tutku Tours for their visits to the Holy Lands. Won't you join us?

Our guides not only pass the rigorous qualifications for tour guides set by the Turkish Ministry of Culture and Tourism, but they also participate in annual Biblical Seminars required by Tutku Tours. These seminars, conducted by scholars, archaeologists and professors enable our guides to contextualize the biblical world in relation to the places that you visit. This adds another dimension to the tour as students and parishioners are able to imagine what it was like to walk with Jesus, Paul, John and the early Christians. We want your tour to be more than a journey. We want it to be an experience that you'll treasure and never forget. Let me know how I can serve you.

With God's blessings,

Levent Oral

As someone who has participated in the life of ETS for more than three decades, I greatly value the importance of the conversations and fellowship at our annual gatherings. As a member of the Trinity community, we all appreciate the many efforts through the work of ETS to advance the cause of evangelical scholarship for the good of the church. We trust the Lord's blessings on this year's meetings as well as those to come.

DAVID S. DOCKERY

PRESIDENT, TRINITY EVANGELICAL DIVINITY SCHOOL AND

VICE PRESIDENT, EVANGELICAL THEOLOGICAL SOCIETY

ENTRUSTED WITH THE GOSPEL

TO SERVE THE GLOBAL CHURCH

At TEDS, our unity in the **gospel** and the **authority and inerrancy of Scripture** fosters a broadly evangelical community that welcomes student and faculty voices from various denominational and theological traditions. We believe that this uniquely positions us to prepare students who are able to contextualize the gospel wherever they find themselves. Our community has modeled excellence in broadly evangelical scholarship for fifty years and counting, and we continue to expand the ways that students can benefit from the global ministry experience and scholarly ethos of our faculty.

Evangelical Philosophical Society

In Print

Philosophia Christi is the flagship journal of the EPS, and since 1999 has become a leading forum for philosophy of religion and philosophical theology.

Online

Because life moves faster than print, the EPS leverages its digital properties such as www.EPSociety.org to continually provide stimulating articles and discussions for its members each year.

In Person

The **EPS Annual Meeting** now boasts over 60 papers presenting top scholarship in philosophical theology, plus presentations and panel discussions at the AAR/SBL Annual Meetings. And don't miss our **spring regional meetings** co-hosted with the ETS.

Become part of the
MOVEMENT
of Christian
Theologians
& Philosophers

The world moves fast. We no longer live in the industrial age, but in the information age. Yet, while our technology allows us to access more data than ever before, proper understanding and application is increasingly rare. Wisdom has become a casualty to quantity.

The Evangelical Philosophical Society invites you to join us in restoring that wisdom. By offering distinguished scholarship delivered via traditional and new media channels, the EPS is reaching a global audience with thoughtful engagement that affects the church as well as the academy.

Across the Globe

The EPS reaches out to partner with **national and international organizations** such as the Emerging Scholars Network, Ratio Christi, the International Philosophy of Religion Association, and Tyndale Fellowship UK. We also organize an annual **EPS Apologetics Conference** so Christian non-scholars will be better equipped to defend their faith.

The world is changing. Engage it with wisdom for Christ.

Join Us!

Become a member of the Evangelical Philosophical Society and receive access to all of the resources above. Visit our booth # 502 in the Exhibit Hall or you can join online at www.epsociety.org/member and begin receiving the latest issue of *Philosophia Christi*.

In 1857, Charles Spurgeon—the most popular preacher in the Victorian world—promised his readers that he would publish his earliest sermons. For almost 160 years, these sermons have been lost to history. In January 2017, B&H Academic will begin releasing a multi-volume set that includes full-color facsimiles, transcriptions, contextual and biographical introductions, and editorial annotations. Written for scholars, pastors, and students alike, *The Lost Sermons of C. H. Spurgeon* will add approximately 10 percent more material to Spurgeon's body of literature and will constitute the first critical edition of any of Spurgeon's works.

ARK ENCOUNTER

HAVE YOU EVER WONDERED?

- HOW MANY ANIMALS REALLY WERE ON THE ARK?
- HOW DID NOAH'S FAMILY FEED AND CARE FOR ALL THE ANIMALS?
- HOW COULD THEY GET FRESH AIR AND WATER?
- HOW COULD EIGHT PEOPLE BUILD THE ARK?

We have built a full-size (510' x 85' x 51'), authentic replica of the Ark to answer these questions—and more! As you enter Noah's world aboard the Ark, you'll tour three decks filled with world-class exhibits. The truth of the Genesis account will come to life. Christians will be encouraged in their faith and skeptics will be lovingly challenged with gospel truth.
